Objective

Ambitious, results-driven computer engineering student with a durable foundation in problem-solving and team collaboration. Versatile, bilingual professional adapted to working in high-paced environments. Seeking an internship in any electrical or software field at any start date.

Education

Georgia Institute of Technology | Atlanta, GA

August 2024-Present

Bachelor of Science in Computer Engineering

Expected Graduation, May 2028

Coastal Pines Technical College | Hazlehurst, Ga

S/P2 Automotive Service Safety Certificate

August 2023-May 2024

Crime Scene Fundamentals Certificate

August 2022-May 2023

Jeff Davis High School | Hazlehurst, Ga

August 2020-May 2024

High School Diploma

Skills

Programming: Python (intermediate) and Bash (beginner)

Platforms: Linux (Ubuntu, Linux Mint, Debian)

Software: GitHub and Visual Studio Code

Communication: Design proposals, technical reports, instruction manuals, presentations (large and small audiences)

Languages: French (beginner), English (fluent), Spanish (fluent)

Experience

Poultry husbandry

August 2017-2023

I was employed at a poultry processing facility in Hazlehurst, Georgia. I was responsible for taking care of hundreds of chic kens (around 700 in total).

- Within the facility, my responsibilities included tasks such as feeding, providing housing, and ensuring the overall health and well-being of the chickens.

Projects

Python Calculator

August 2023

I developed a Python-based calculator as part of a personal project.

- This calculator supported basic arithmetic operations such as addition, subtraction, multiplication, and division.
- It features a user-friendly command-line interface and error-handling techniques to ensure the program's stability.

Python Weather App

August 2023

I created a Python application that fetches real-time weather information from the OpenWeatherMap API based on the user's input.

- The app will display the current weather, temperature, humidity, wind speed, and other weather conditions.

Leadership or Activities

Vice President of High-Ranking Club, Brawl Stars

August 2019-Present

- In my role as Vice President of the Brawlin club, I undertook a leadership position that required strategic planning. Such as coordinating with teammates and training skill level.

Soccer, The Goalkeeper, The Champions (Local church soccer)

August 2020-2023

- I held a position of critical importance within the team, safeguarding the net with unwavering dedication and skill.
